6. 08.08.08. This appeal has been filed for setting aside the order dated 01.06.2006 passed by Fast Track Court III-cum-Motor Accident Claims Tribunal, Aurangabad in M.A. C.T. Case No. 43/02/14/05.

The appellant-Insurance Company appeared and filed their written statement stating therein that deceased was traveling on the tractor in question not as a Khlasi, which met an accident and the deceased died, so the liability on the part of the Insurance Company does not arise.

Having considered facts, circumstances and merit of the case, I do not find any reason for interference in the impugned order.

In the facts and circumstances, this appeal stand dismissed.

Statutory amount of Rs. 25,000/- which has been deposited before the Tribunal should be utilised so as to facilitate the payment to the claimant.
